

【Shenzhen】 Tearoom Reinvented Time to Unwind with Tea!

Who says high tea is served only in western style? By rebranding tea appreciation, tea'stone, a pioneer in tea aesthetics, has become a synonym for youthfulness and modernity. Apart from traditional varieties, the shop also provides white peony tea, a sought-after option characterised by a large blossom floating in a crystal-clear glass with light-coloured liquid, elegant and mellow waft, and cosmetic and nourishing effects! Don't miss their cold brew iced tea served in a moon-shaped jar—an apricot-yellow tea on ice with a fragrant mix of jasmine, orchids and osmanthus—for a cool pleasure.

A fine cup of tea and exquisite desserts are both indispensable to a fulfilling high tea experience. On top of tea drinks, light refreshments such as lemon cookie crisps, apple pies and mini croissants are also available on the menu of tea'stone. With moderate sweetness, they form a perfect match with the healthy Chinese tea for a relaxed retreat!
