

**【Shenzhen】 Animals in wonderland
Wildlife within reach in shopping mall!**

Yearn Zoo, the first indoor large-scale wildlife zoo in Shenzhen, debuts in Wanda Plaza. Housing over 800 aquatic, terrestrial, and aerial animals across an area of 1,800 square metres, the premises offer an integrated experience of education, enjoyment and parent-child interaction.

By visiting over 50 themed sections such as Pandora's Jungle, Green World, Herpetological Section, Aviary and Forest Theatre, children can get to know a variety of animals, including parrots, alpacas, rabbits, goats, sika deer and miniature pigs, through up-close encounters.

Rare species such as internet-famous meerkats, also known as Timon from the *Lion King*, can also be found here. These adorable creatures stand on their feet when people draw near. What's more, there are a large ball pond with a slide and a colourful sandpit in the children's play zone. You can take a break in the adjacent resting area while your children burn their energy in this full-day exploration!
