

【Shenzhen】HADO ARENA

A new relaxing sports experience. Release your stress with AR hadoken!

HADO, a “new model of future sports” popular among young people and sports enthusiasts, is an AR-technology sport that has taken the world by storm. With its name derived from the Japanese word “hadoken”, “Hado” is brought to life through AR technology in the HADO ARENA!

The HADO ARENA is a 6x10 metre stadium where players are divided into two teams, red and blue, scoring points by attacking each other with virtual cannonballs. Players can use their own tactics to win by manoeuvring, attacking, defending and dodging. With the excitement of competitive gaming, HADO requires players to have explosive power and stamina. Since its introduction, the novelty sports model of HADO has sparked a craze, gradually becoming a popular way of leisure for families and friends!
