

【Shenzhen】Wonderland for children A relaxed getaway for families!

Conveniently connected to Donggualing Station on Shenzhen Metro Line 10, Upper Hills is one of the popular shopping malls among Hong Kong people. It has a comprehensive range of parent-child recreational activities, making it the ideal choice for family entertainment. In terms of family-friendly activities in the mall, meland Club is the ultimate choice as a wonderland for children and a big name among indoor playgrounds with extensive presence across various malls in mainland China. The branch in Upper Hills spans an unparalleled area of 6,000 square metres, so breathtakingly dreamlike and gorgeous that children can enjoy themselves all day long.

Specialising in immersive experience, meland Club makes a fun learning experience out of its family playground which integrates theme parks, sports technology, edutainment, aesthetic education and a family restaurant into one. Under the theme of "Fantastic Garden", the Upper Hills branch weaves starry sky, forests and simulated cities into a magical world of fairytales divided into different themed zones--the Princess Fortress, where girls turn into princesses; Simulated City for a taste of working life; ocean-themed Hi Ball with a gigantic ball pit; Rock Climbing and Jungle Gym for lion-hearted kids; as well as the most sought-after Endless Slide and Super Maze. Professional staff are deployed on-site to ensure a safe and hygienic environment that has been highly appreciated by parents and children. Make your day at meland Club, where children can burn off energy while parents unwind with peace of mind.
