

### New Lift at MTR Prince Edward Station Opens Today

A new external lift at MTR Prince Edward Station opened today (22 May 2015) for public use, providing passengers with more convenient access, between street level and the station concourse. This is the seventh new lift to be opened under the MTR Corporation's Listening • Responding programme launched in 2012.

The new external lift is located at Prince Edward Station Entrance E, connecting the station concourse with Nathan Road. This new lift will make the MTR system more accessible and convenient for passengers, especially those with special needs.

(Back row from left) Mr Tong Chai-Ming, Operations Manager – Kwun Tong Line & Tsuen Wan Line of MTR Corporation, Mr Ip Ngo-tung, Chairman of Traffic and Transport Committee of Yau Tsim Mong District Council and Yau Tsim Mong District Councillors Mr Wong Kin-san and Mr Chong Wing-charn, accompany (front row from left) Mr Lau Min, Committee Member of Direction Association for the Handicapped and Mr Yau Kwok-wah, Chairman of the Community Caring Group of Hong Kong Lutheran Social Service to officiate at the opening ceremony today.
