Press Release

PR007/25
20 February 2025

MTR Enhances Regular Train Services on the Tseung Kwan O Line

MTR Corporation is committed to providing passengers with safe, efficient, and comfortable train services, and has been closely monitoring the operational conditions of various railway lines. Starting from 23 February 2025 (Sunday), the regular train services on the Tseung Kwan O Line will be enhanced during Sundays and public holidays. An increase of at least 52 train trips will be operated each week, facilitating passengers' journeys with convenience.

Train services on the Tseung Kwan O Line will be enhanced for most of the day on Sundays and public holidays. The train frequency between North Point and Po Lam stations will be increased to about every 4.5 minutes, while the train service between Tiu Keng Leng and LOHAS Park stations will also be improved. (Please refer to the annex for details.)

The Corporation has been closely monitoring the operation of railway lines, passengers' travelling patterns and ridership. We will continue to suitably enhance and adjust train service based on actual demand and train operations.

-End-

About MTR Corporation

To Keep Cities Moving, MTR makes encounters happen and rendezvous for a more connected tomorrow. As a recognised world-class operator of sustainable rail transport services, we are a leader in safety, reliability, customer service and efficiency.

MTR has extensive end-to-end railway expertise with over 45 years of railway projects experience from design to planning and construction through to commissioning, maintenance and operations. Going beyond railway delivery and operation, MTR also creates and manages dynamic communities around its network through seamless integration of rail, commercial and property development.

With more than 50,000 dedicated staff*, MTR carries over 10 million passenger journeys worldwide every weekday in Hong Kong, Mainland China, Australia, the United Kingdom and Sweden. Together, we Go Smart and Go Beyond.
